UPCOMING EVENTS

Sat Oct 10, 11.00 am	Antill Scholarship applications close	Lodge with president
Wed Oct 21, 8.00 pm	Special General Meeting	St Ives Library Meeting Room

FROM THE PRESIDENT

The rain over the past two weeks wasn't good for getting out and competing but it has been very beneficial for the grass. The surface at Bannockburn is recuperating nicely from the winter season so with bright sunshine forecast for this Saturday the athletes will be able to get out and compete with a bit more grass under their feet than what was there three weeks ago.

Hopefully you've all seen the new online sign-up for parent help. Outside of the general duties listed there are a number of Key Assistant roles that require filling and parents interested in those roles can

...and our supporters: **Café 2 U** coffee van onsite at Bannockburn oval

sign up at the Parent Help table on Saturdays. This Saturday (3 Oct) the 11s are on Set-up at 7am and the 10s are on BBQ / Canteen.

The Week 2 program will be in use this Saturday. For our regulars (and extras) set-up will commence at 7am. Early events at 8am (13-17s 3000m or 14-17s Javelin) and at 8:30am there will be optional Walks events for the 10-17s.

As each event area finishes for the morning the athletes and parents at that event are asked to bring the equipment back to the shed so it can be packed away.

Nominations for the John Antill Scholarship are now open with the form available via this link [John Antill Scholarship Form](#). The John Antill Scholarship is for an athlete who has demonstrated a sound level of attainment in athletics and who the Committee feels would be able to further his or her pathway in athletics with some financial assistance. Due to the selection criteria the John Antill Scholarship is generally aimed at athletes in the 13-17s age groups. Information can be found on the Awards and Scholarships page of the KLAC website

With school resuming next week many of the athletes from KLAC will be competing at the Primary and Secondary School State Championships. We wish you all the best and hope that you are all able to perform at your personal best.

John McFadden

President

Special General Meeting of Ku-ring-gai Little Athletics Centre Inc.

A Special General Meeting (SGM) of Ku-ring-gai Little Athletics Centre Inc. is to take place on Wednesday 21st October 2015 from 8.00pm in the St Ives Library Meeting Room, north side St. Ives Village Shopping Centre, St. Ives. All our Centre members are entitled to attend this SGM. Membership of the Centre includes our Executive Council, Life Members of the Centre and all parents of children presently registered with Ku-ring-gai Little Athletic Centre Inc.

The sole item on the SGM agenda is to consider a proposed Constitution that is now required following a number of legal changes relating to organisations such as Ku-ring-gai Little Athletics Centre Inc. and constitution changes in governing bodies that impact on our operation as a Centre.

Our proposed Constitution can be sighted via our web site klac.org.au or directly from this link <http://klac.org.au/wp-content/uploads/sites/48/2013/10/KLAC-Constitution-2015.pdf> and we invite all of our members to access it. The proposed Constitution has already been circulated to all Executive Council (EC) members and no objection has been raised

This SGM is being arranged in accord with our existing Constitution and therefore requires a quorum to be present so please take a note of this meeting and respond a little nearer the date when asked to confirm that you will be able to be present.

Please note that the regular monthly meeting of our Executive Council will follow the conclusion of the SGM. Non EC members will not be expected to stay for this meeting but would be welcome if they wish to do so.
