Sprints - Thursday 4.30pm

FROM THE PRESIDENT

We had a very good turnout in warm conditions last Saturday for our second Saturday of competition. Some excellent results across all age groups and even one new record in the U14Gs 800m – congratulations to **Abbey Rockliff**! This is her second for the season having bettered the 1500m record at our first competition morning.

You'll note that we have parents rostered for all types of roles each Saturday. One area where we don't currently roster parents is pack-up. It isn't really practical with age groups finishing at differing times and I don't think it is fair to expect parents of a particular group to wait around until others finish so equipment can be put away. The problem is that it is generally the same few parents (and athletes) who are left with the bulk of the work. If whichever age group is listed last at an event area (according to the program) can bring all the equipment back to the shed once they're done it would really make the job of packing away so much easier. Some age groups are already doing this but please, can all age groups ensure they check to see if they're last at an event area and if the answer is yes (you can check with one of our T&F officials if unsure) then bring the equipment back to the shed.

The **Week 3 program** will be in use this Saturday. Just the one early event with Javelin for the U13s at 8am. For all our regulars (and any others keen to help) set-up will commence at 7am. For pack-up please re-read paragraph above!

Set-up: Under 12s

Canteen / BBQ: Under 9s

Trans Tasman: for all the U10s and U11s we will have Maria McConville (LANSW TT Committee) visiting us on Saturday with information on this Season's TT Tour.

Parking: I noticed the KMC Ranger doing a few laps of the surrounding streets last Saturday. Hopefully no one was booked. Either way it is a timely reminder that everyone attending Little A's at Bannockburn Oval, whether on a Saturday or weekday, should park legally and so as not to impede resident access.

John McFadden

President

Special General Meeting of Ku-ring-gai Little Athletics Centre Inc.

A Special General Meeting (SGM) of Ku-ring-gai Little Athletics Centre Inc. is to take place on Wednesday 21st October 2015 from 8.00pm in the St Ives Library Meeting Room, north side St. Ives Village Shopping Centre, St. Ives. All our Centre members are entitled to attend this SGM. Membership of the Centre includes our Executive Council, Life Members of the Centre and all parents of children presently registered with Ku-ring-gai Little Athletic Centre Inc.

The sole item on the SGM agenda is to consider a proposed Constitution that is now required following a number of legal changes relating to organisations such as Ku-ring-gai Little Athletics Centre Inc. and constitution changes in governing bodies that impact on our operation as a Centre.

Our proposed Constitution can be sighted via our web site klac.org.au or directly from this link <http://klac.org.au/wp-content/uploads/sites/48/2013/10/KLAC-Constitution-2015.pdf> and we invite all of our members to access it. The proposed Constitution has already been circulated to all Executive Council (EC) members and no objection has been raised

This SGM is being arranged in accord with our existing Constitution and therefore requires a quorum to be present so please take a note of this meeting and respond a little nearer the date when asked to confirm that you will be able to be present.

Please note that the regular monthly meeting of our Executive Council will follow the conclusion of the SGM. Non EC members will not be expected to stay for this meeting but would be welcome if they wish to do so.
